

theme of hope

Black & White

billboard standing in the corner
 without no sign
 traffic's passing by but nothing's going
 it cannot try
 and if you'll leave
 keeping your emotions
 and if you'll stay
 nothing will get through (now)
 every billboard is like a window
 to trash your mind
 all you see is nothing but your troubles
 in a beautiful disguise
 just live your dream
 as you must love your beauty
 there's no one out
 there's no one you need now
 if there should be
 one more place
 if there should be
 one more word
 every billboard has its colours
 you're black & white

Thank You
